This matter came before the Court on the motion of certain carriers/members of the defendant association for an interim decree. Upon announcement by the Receiver and counsel for some of the members of the defendant association, the Court enters the following order:

1. The motion of certain members for the Court to form a creditors committee shall be held in abeyance without prejudice to the members, in the future, to reset the motion and move the Court to form a creditors committee. At present, the Receiver has agreed to schedule, give notice of and conduct regular, informal meetings with the members on matters concerning the liquidation.

2. There shall be no changes in the scheduling order concerning disposition of issues related to the premium assessment methodology. The following deadlines remain in force: March 26, 2004 for objections to the petitioner's assessment to be filed with the Court; April 23, 2004 for filings of motions of the petitioner for the Court to dispose of the methodology for premium assessment issue; May 12, 2004 for opposition to the petitioner's motion to be filed; May 18, 2004 for any reply of the petitioner to be filed; and Tuesday, May 25, 2004, at 9:00 a.m. for the hearing on the motions and opposition.

3. On or before June 1, 2004, all member motor carriers shall pay to the Receiver the lesser amount of their assessed dues as set forth by the Commissioner of Insurance in its assessment issued March 8, 2004, or the amount as specified in the SIGT assessment presented to it and attached to the motion filed by attorney Henry E. Seaton as appendix A to the motion for interim decree. Failure to comply with this court order shall result in an award of penalties and/or sanctions.

It is so ORDERED.
